

EURAXESS – Researchers in Motion

Research Mobility Information Day

Dr. Caroline Vandevyver, Research Office EPFL

October 14, 2015 – Amphimax, UNIL

What is EURAXESS?

- EURAXESS is an **ERA key initiative** to promote **research careers** and facilitate the **mobility of researchers** across Europe.
- EURAXESS: European Union & 40 countries in Europe working together to **assist researchers and research organisations!**

The 4 key initiatives

Information about **jobs & funding opportunities**

Personalized assistance to researchers & their families through
a network of > 500 people in **40 countries**

Information about **rights and obligations** of researchers, their
employers and funders, including entry conditions, and pensions
of researchers

Networking tool for European & non-EU **researchers worldwide**

EURAXESS Rights

EURAXESS Rights

- **Charter & Code**: key elements in the European Union's policy to make research an attractive career
- Reference Framework for **rights and obligations** of researchers, their employers and funders - EC adoption on 11 March 2005

EURAXESS Rights

- 40 principles of C&C which can be summarized to 4 broad principles:
 1. **Ethical & professional aspects**, incl. research freedom and accountability, non-discrimination, evaluation/appraisal
 2. **Recruitment**, incl. transparency of the process, judging merit, recognition of value of mobility and of qualifications
 3. **Working conditions & social security**, incl. research environment, stability of employment, gender issues, career development, and representation in governance
 4. **Training**, incl. supervision, continued professional development and access to training

EURAXESS Rights

- **C&C implementation mechanism:** the Human Resources Strategy for Researchers (**HRS4R**): a voluntary 5-step process that ensures continuous progress in HR policies in research institutions

'Human Resources Excellence in
Research' award

EXCELLENCE IN RESEARCH

EURAXESS Rights

- **Pensions for researchers:** set up of a pan-European Supplementary Pension Fund for Researchers – **RESAVER**
- **Entry conditions:** non-EU national researchers have several possibilities to enter the European Union for work → the **Scientific Visa Package** aims to facilitate entry conditions

! RESAVER + Scientific Visa Package are not applicable in CH !

EURAXESS Links

EURAXESS Links

A **networking tool** for European researchers working outside Europe and non-European ones wishing to move to Europe. It exists in:

- 5 Asian countries (Indonesia, Malaysia, Singapore, Thailand & Vietnam)
- Brazil
- China
- India
- Japan
- North-America (Canada and US)

Besides organizing events, **EURAXESS Links** provides information about research in Europe, European research policies, **opportunities for research funding**, for **international collaboration and for trans-national mobility**.

EURAXESS in a nutshell

- EURAXESS can contribute to **boosting researcher career development** irrespective of the career stage researchers are at!
- It can help **researchers** at an **early stage research career** with finding a **job**, give **information** on what it is like to live in another country and help them with their **move**, help them **connect** with other researchers that are experiencing similar challenges.
- It can assist **organizations** with **posting job vacancies** and **funding opportunities**, finding a good candidates to help them with their work, acquiring funding for their projects and team, getting a better understanding of their **rights**.

Internal & Non-Profit Funding
Pierre-Yves Bolinger

ReO Mission Statement

Mission

- Promotion of research on a national and international level by means of actively **giving advice and support to scientists and their research projects** at every stage of their individual projects or careers.
- **Explore and increase visibility** of funding opportunities.
- **Circulation of knowledge** regarding funding instruments and facilitating the submission of grant applications.
- Anticipate researchers needs and provide guidance: **inform – screen – connect**.
- **Follow-up** of success rates concerning grant applications of the EPFL researchers.

ReO Mission Statement

Networking

- INT collaborators are members of the Swiss information network for European research and innovation **Euresearch**.
- ReO INT is a partner within the European network **Euraxess**.
