

SMC 2016

WORKSHOP ON BRAIN-MACHINE INTERFACES

IEEE INTERNATIONAL CONFERENCE ON
SYSTEMS, MAN, AND CYBERNETICS
BUDAPEST, OCTOBER 9-12

Second IEEE Brain Initiative Meeting Held During SMC 2016 BMI Workshop Ball Room I, 14:00 - 15:30 Tuesday, October 11, 2016

The IEEE Brain Initiative [brain.ieee.org] was launched with the mission to facilitate cross-disciplinary collaboration and coordination to advance research, standardization and development of technologies in neuroscience to help improve the human condition. After the success of the first IEEE Brain Initiative Meeting which took place December 2015 at Columbia University, we invite you to participate in the second IEEE Brain Initiative Meeting, where you will hear about the *latest brain research and developments from various IEEE Societies and Councils involved in this initiative, and be a part of the strategic discussion to plan for new endeavors and identify new opportunities.*

It is free to attend the IEEE Brain Initiative Meeting, which is held during the SMC 2016 BMI Workshop. We highly encourage participants to the IEEE Brain Initiative Meeting to also register and attend the SMC 2016 BMI Workshop. The IEEE Brain Initiative is a technical co-sponsor of this Workshop, along with eleven (11) IEEE Societies and Councils and the IEEE Standards Association.

Chair, Paul Sajda, Ph.D., Columbia University

Vice Chair, Jose Carmena, Ph.D., University of California, Berkeley

Senior Advisor, Metin Akay, Ph.D., University of Houston

Senior Advisor, Michael H. Smith, Ph.D., University of California, Berkeley
